

Summary

We are seeking experienced cleaners (residential and/or commercial) for our fast-growing business! We are searching for skilled, diligent Cleaning Technicians who take pride in their work. The Cleaning Technician will be responsible for cleaning and maintaining the household or commercial premises. The technician's responsibilities will include, but not limited to, sweeping, washing, dusting, mopping, vacuuming, scrubbing, and sanitizing all areas and surfaces. You should also be proficient in making beds, and ironing and folding laundry.

To be successful as a Residential Cleaner, you should have great stamina, a positive attitude, and dedication to excellence. Top-notch candidates should display strength, efficiency, and respect for the home and its inhabitants.

Responsibilities

Cleaning Technicians have an overall responsibility for cleaning residential and commercial properties to include, but not limited to, the following:

- Responsible for all basic cleaning in and around residences or office buildings.
- Clean floors, windows, counters, and rooms. mop, sweep, pick up larger objects off the floor, and spot clean glass.
- Clean restrooms, including emptying trash, clean and sanitize fixtures, clean mirrors, sweep and mop tile floors, clean and sanitize toilets, urinals, showers and tubs.
- Set up, stock, and maintain cleaning equipment and supplies.
- Carry out cleaning duties with the aid of necessary equipment.
- Apply necessary chemicals and solvents to surfaces in order to easily and effectively remove stain and dirt.
- Carefully handle and operate all cleaning machinery according to the machinery protocol.
- Report repairs and replacements needed when encountered on the job.
- Receive and handle special requests for clients as required appropriately.
- Vacuum all carpets and upholstery.
- Scrub and sanitize all relevant surfaces.
- Handle all furniture and appliances with care.
- Dust all furniture, fixtures and objects that require dusting.
- Comply with all safety policies and procedures that are related to carrying out cleaning tasks.
- Identify and report all safety equipment maintenance issues to the supervisor or management.

Skills and Experience

- Highly responsible & reliable.
- Valid driver's license.
- Clear knowledge of cleaning supplies and chemicals.
- Ability to understand verbal and written instructions.
- Excellent written, verbal, and interpersonal skills.
- Ability to maintain a positive attitude.
- Ability to effectively work independently and as a member of a team.
- Physically able to reach, stretch, bend, and walk during the daily routine, with ability to stand for long lengths of time; physically able to push vacuum cleaner for extended periods of time; ability to lift up to 25 to 30 pounds.
